

# Boys & Youth Membership

## Growth Grant Opportunity

The Carolina Region is offering \$500 to \$1000 (**NEW**) Grants to Clubs to help us grow Boys and Youth playing opportunities during the 2016/2017 Season!

- Club commits to forming a Youth (11 and under) and Boys (any age) Developmental league (4-week minimum).
- League must be sanctioned ([Event sanction Request form](#) + \$15 sanction fee)
- All participants must become [Carolina Region members](#) (Youth - \$15; Boys \$15 or \$20 depending on age)
- League is active once a week for 4 weeks or more. Can structure any way want (clinic then play; skills activities; individual vs team play).
- At end of league, send photos of league activities/play; big group photo, and roster of all league attendees to Region office.
  - 10-20 participants - \$500 Grant
  - 20+ participants - \$750 Grant
  - 30+ participants with 5 Boys minimum - \$1000 Grant
- Can use grant any way you wish (facility rentals; coaches pay; “free” league, etc.)
- Ideally, these participants are NEW members to Carolina Region/USAV this season. These members do not have to be formed into “teams” to play in regular Carolina Region tournaments. You can keep them as a local league participant only.

Contact Kevin in the [Region Office](#) with questions and to confirm your Club will be putting a Youth/Boys league this season!
