

CAROLINA REGIONAL VOLLEYBALL ASSOCIATION Disaster Relief Assistance Fund

Established in 2024, the Carolina Region created a fund to assist clubs and families impacted through natural disasters beyond their control. The Carolina Region recognized that there are sometimes circumstances in life that may make it difficult to participate in club volleyball activities without some assistance. With a history of hurricanes and tornadoes hitting the state, the region established a fund where families and clubs can turn to in times of hardship due to natural disasters.

What will your donation help fund?

- \$100 – provide volleyballs for clubs recovering from disaster
- \$500 – pay club dues for a family looking to get back to normal activities
- \$1000 – pay club dues for multiple families that don't have discretionary income for volleyball activities

Want to help the Carolina Region assist families and clubs to continue playing volleyball while directing their resources towards rebuilding from natural disasters? Contact us today.
